

Church Council Meeting—3/15/09 (Pastor Hank's notes)

People ask me if I have heard anything about who the next pastor will be. I have not had any contact with the DS or anyone about this. I believe it will be after April 15 before we begin to learn anything.

The bldg. com. will be sending out a thank you and notice on the pledges that have been received and a notice of the amount that is remaining for the last year.

Revival—I have emailed Aldersgate Renewal Ministries to request that we have their program titled, "Lord Teach Me to Pray" seminar on the Friday, Saturday, and Sunday morning, Sept. 10,11,12, 2010. This would be the weekend mat coincides with Homecoming.

Easter Egg Hunt will be after the Palm Sunday service.

I have asked the trustees to take an inventory of what needs to be done to prepare for the reception of the new pastor with the church looking its best. They will meet tomorrow, Tuesday, 7:30.

Should the church get a credit card established to purchase such items as ink, paper products, etc?

George Flack funeral will be at GUMC cemetery. A reception will be held in annex afterward. You are invited to bring a dish or two to help.
